

## **Australian Political Proposals**

Non-partisanship is what unites.

Economic challenges ahead include:

stagnant household incomes;

Need for private sector job creation;

Structural reforms of state-owned companies;

strategic public sector reforms;

foreign direct investment

### **Economical**

- Unemployed? Join the national labour front
- 35% Universal Tax on all citizen accounts
- Renewable energy by 2030
- Use the profits of the Adani Coal mine to fund the development of the solar project
- prevent contractors from making more money in governmental projects

### **Governmental**

- Abolish mandatory voting
- Australian Republic
- Abolish live exports
- Corporatism:
  - a. Metals, Printing
  - b. Authorities
  - c. Workers/Labour Union
  - d. Finance Sector
  - e. Manufacturing Sector
  - f. Aboriginal/Indigenous Rights
  - g. Womens Needs
